We're Hiring: Registered Radiologic Technologist (Full-Time & Part-Time)

 *Location: Warner Robins, GA*

 *Middle Georgia Orthopaedic Surgery and Sports Medicine*

Middle Georgia Orthopaedic Surgery and Sports Medicine is seeking a **full-time or part-time Registered Radiologic Technologist** to join our dynamic and patient-focused team.

Position Details:

-  Schedule: Monday through Friday, 8:00 AM – 5:00 PM
-  Team-oriented work environment
-  Full-time position and Part-time positions available

We're looking for a **confident, reliable individual** who thrives in a collaborative setting and is committed to providing high-quality patient care.

Requirements:

- ARRT certification (Registered Radiologic Technologist) or pending certification will be considered
- Current Georgia Radiologic Technologist license or currently pursuing radiologic technologist degree at an accredited institution
- Experience in orthopaedics or sports medicine a plus

Why Join Us?

Be part of a respected orthopaedic practice serving the Middle Georgia community. We offer a supportive work environment and a team that values professionalism and excellence in care.

 **Apply today and help us make a difference in our patients' lives!**

 Submit your resume to Jami Williams at jwilliams@mgo.md or apply in person at our Warner Robins office.
